Love Released - Book Six (Women Of Courage) (Volume 6) Geri Foster
Love Released - Book Six is the sixth in a series titled Women Of Courage. The serial tells the story of Cora Williams and Sheriff Virgil Carter as their relationship develops. The serial is best if the books are read in order. A menacing and dangerous arsonist has chosen Gibbs City as a target, frightening citizens and business owners alike. Virgil Carter fights against the fear and panic that has the entire community up in arms against a monster without a conscience. His duty is to make the town safe again when even his own life lies in the balance. Cora Williams-Carter struggles against the prejudices of being a woman doctor in a male dominated field. She’s torn by her mother’s pleas to attend her sentencing trial and remain safe in her family’s arms. Together they fight against all foes to keep Gibbs City a place where people can prosper and children grow up safely.
