**The Mentalist's Handbook: An Explorer's Guide to Astral, Spirit, and Psychic Worlds** Clint Marsh There is a world that mirrors our own. Everything in this world is made of substance finer than air, finer than light, finer than thought itself - the aether. In the aether there are inner sensations such as ideas and feelings that are as tangible as anything in the material world. In The Mentalist's Handbook, Clint Marsh gives us a glimpse of the world. He offers step-by-step exercises, detailed and beautifully written explanations and definitions, and gorgeous black and white illustrations by award-winning artist Jeff Hoke. Inspired by esoteric, occult, and magic books published over the last 150 years, Marsh has aspired to create something of singular importance in the tradition of classic occult manuals. Both practical and whimsical, and complete with visual aids, this field guide to the paranormal will appeal to students of the New Age, esoteric scholars, readers of post-modern and magical-realism, angel, ghost and fairy enthusiasts, comic and graphica fans, and artists alike.
