MORE AUTHENTIC VICTORIAN EROTICA - REDISCOVERED

"If you're looking for a love story, this is not the book for you..."

More great value, period erotic fiction! The second collection of Wildheart's mad, bad, crude and rude Victorian short stories and novellas, all originally published prior to 1900, are brought to you now as hot and steamy debauched tales of sexual exploration and adventure. Very crude, very rude and great fun.

Wildheart's second Victorian Collection caters for tastes both Curious and Diverse

CONTENTS:

The Three Chums: A Tale of Everyday London Life - Part One

Young, enthusiastic Charlie, just up from the country, and his two London cousins are on a singular course of non-stop debauchery in the run-up to the start of their studies. He certainly discovers a passion for extra-curricular exertions...

School Life in Paris

It's 1897 and 18 year-old Blanche is sent to Finishing School in Paris. Far from finishing anything, she starts on a joyous expedition through every carnal desire a young woman could encounter. Brilliantly filthy – a distinct lack of subtlety...

The Costume Party

An excellent short that displays some sophistication and restraint than the collected excess we present in the rest of the book. But – it's still shockingly crude!

The Adventures of Lady Lovesport

An eye-opening look into the sexual awakening of two lovers; first through experiments with friends then followed by tutelage from the formidable Lady Lovesport with her birch. It's more than enough to bring a blush to the cheek...

The Three Chums - Part Two

The rampant conclusion to the young men's uber-libidinous erotic sojourn. Everyone's fair game with the young men even discovering Victorian dogging in the Royal parks!

Content Advisory:

Definitely 18+ Continuous scenes of explicit sexual activity.

BAWDY, UNRECONSTRUCTED TALES OF PASSION AND LUST
