A Brief Biography of Grover Cleveland, 22nd and 24th President of the United States Albert Bushnell Hart
This easy-to-understand guide to the life and career of President Grover Cleveland (equivalent in length to a physical book of approximately 16 pages), was written especially for the esteemed multi-volume “World Book: Organized Knowledge in Story and Picture” (1919 edition).

Sample passage:
The decade following the Civil War was a period of political corruption and confusion, and of extravagance in public and private life. Cleveland’s appearance in public life nearly coincided with the beginning of a reaction against the looseness of morals that had been apparent during these years. Cleveland as sheriff had displayed an honesty and devotion to duty that led to his nomination and election, in November 1881, as mayor of Buffalo on a reform ticket. In a year Buffalo experienced little less than a revolution, for its mayor was a man who went on his course without regard to “influence.” A year in the mayor’s office won him the Democratic nomination for governor of New York.

About the author:
Albert Bushnell Hart, Ph.D. (1854–1943), was Professor of Government at Harvard University. Other works include “Formation of the Union,” “School History of the United States,” and “The Foundations of American Foreign Policy.”
