Animals, Gods and Humans: Changing Attitudes to Animals in Greek, Roman and Early Christian Thought Ingvild Saelid Gilhus

Consulting a wide range of key texts and source material, *Animals, Gods and Humans* covers 800 years and provides a detailed analysis of early Christian attitudes to, and the position of, animals in Greek and Roman life and thought.

Both the pagan and Christian conceptions of animals are rich and multilayered, and Ingvild Sælid Gilhus expertly examines the dominant themes and developments in the conception of animals.

Including study of: biographies of figures such as Apollonus of Tyana; natural history; the New Testament via Gnostic texts; the church fathers; and from pagan and Christian criticism of animal sacrifice, to the acts of martyrs, the source material and detailed analysis included in this volume make it a veritable feast of information for all classicists.

Randall Briggs:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Animals, Gods and Humans: Changing Attitudes to Animals in Greek, Roman and Early Christian Thought can make you experience more interested to read.
