Careful: Book I in the WISHES CHRONICLES Paula Millhouse
Author Evie Longfellow wants to stay alive long enough to write her fourth New York Times Best Seller. She accepts a blind date from hell that changes everything sane in her life. Drugged, kidnapped, and horrified Evie escapes and runs for her life with evidence the FBI needs to nail one of their most wanted. TV Psychologist Dr. Nick Franklin wants to help Evie with her goals. He hides her from a sadistic mafia kingpin, and even though he doesn't trust his judgment when it comes to the diagnosis of love, he senses Evie may just be the story of his life. Hit man Tony Aiello plans to do whatever it takes to protect Miss Aida Marino and her Fortune 500 company from disaster. He chases Evie and Nick from New York City to the wilds of rural Vermont to recover the stolen evidence threatening to take Miss Aida down, and faces off with evil in a showdown that brings hometown justice to life.
