Some loves are not made to last . . . Like Romeo and Juliet, Heloise and Abelard were doomed from the start, and their romance was destined to pass into history. Yet when sixteen-year-old Callie Martin discovers a diary hidden within an antique book, their story - and hers - takes on another life. For the diary leads Callie to the brilliant and handsome August, who is just as mysterious as the secret the diary hides. Their attraction is undeniable. As the two hunt down the truth behind the diary - and that of Heloise and Abelard's ancient romance - their romance becomes all-consuming. But Callie knows it can't last . . . love never does. Will their love that burns as bright as a shooting star flame out, or will these star-crossed lovers be able to defy history?
