In Fairy Tales They Lie Moses Miller
Once upon a time there was a girl named Skylar who fantasized her entire childhood about the day she would marry her very own prince charming. However, when this fateful day would finally arrive, she would uncover some alarming news. Not only had her prince slept with her younger step sister, he had impregnated her as well. Heartbroken, Skylar leaves the kingdom of California and travels to the greener pastures of New York, to start a new life and take a bite out of the big apple. Only weeks after her arrival, she meets the perfect man, who is so much like the deceased father she loved ever so dearly that he could only be heaven sent. Just as it seems that our princess will have a story book ending, characters from the past begin to rear their ugly heads, threatening to destroy her new life. Is her knight in shining armor truly a gift from God, or the devil in disguise? Will the man who shattered her heart in pieces ever truly let her go, or destroy the blissful future she deserves? As the past collides with the present, there’s only one thing that's certain…in fairy tales they lie.
