Aphrodite Overboard: The Erotic Memoirs of a Victorian Lady

R. V. Raiment

Aphrodite Overboard: The Erotic Memoirs of a Victorian Lady R. V. Raiment
"I begin, knowing that what I write may never be read...that law and the possibility of scandal may erase forever my name and account for fear of threatening what society deems decent. In matters sexual I am aware only of truth, though because this truth of which I write cannot clearly be expressed in 'the language of a lady', I know my story may be more than public morals can bear. So be it." -- From the memoirs of Susanna, Lady F Kidnapped and shipwrecked on a tropic isle, the Lady Susanna finds that paradise comes complete with the willing and most intimate worship of the natives, who appoint her as their goddess of love and fertility. When the island paradise is invaded by devils in the form of a priestly slave-trader and his crew, Susanna is forced to protect the people who consider her their goddess, rather than to succumb to the evil brought by her own countrymen.
