Guidelines for the Assessment of General Damages in Personal Injury Cases

Judicial Studies Board

Guidelines for the Assessment of General Damages in Personal Injury Cases Judicial Studies Board These Guidelines are widely acknowledged as a key source of reference for the judiciary, for personal injuries law practitioners, and for professionals in related areas such as insurance.They are designed to provide a clear and logical framework for the assessment of personal injury damages while leaving the discretion of the assessor unfettered, since every case must depend to a degree on its own facts. Now in their seventh edition, they can be relied upon as being fully up to date and in line with all recent awards and practice. This new edition contains new sections on chronic pain and minor hand injuries; a revised section on Asbestos related Disease; and substantially re-written sections on Vibration White Finger and Hand-Arm Vibration.
