Kiss the Girl (Soho Loft) Melissa Brayden

Sleeping with the enemy has never been so complicated. Twenty-eight-year-old Brooklyn Campbell is having a bad day. A speeding ticket, a towed car, and a broken heel are all working against her laid-back vibe. To top it all off, her birth mother, whom she's never met, has requested contact. The only bright spot is an impromptu date with a beautiful and mysterious brunette. Jessica Lennox is what you would call a high-powered executive. She's the head of a multimillion-dollar advertising firm in New York City, and it didn't happen by accident. But when the blonde head turner from the wine bistro turns out to be her number one competitor, her life gets infinitely more complex.

Is New York big enough for both Brooklyn and Jessica? Maybe it's just time they experienced it together...
