**Special** Amanda Humphries
Sixteen-year-old Mary Alistar Morris has always expected more out of his dull life in Clarksville. However, he wasn't expecting to be abducted by creepy men in black suits and shades, have all outside connections severed...or be a vampire. On a day as normal as any other, the unsuspecting teen is forced into a world hidden from human eyes at the nation's most Top Secret facility: APOC. In this school, students with mutant abilities live and train to fight against the regularly reoccurring apocalypse, and Mary is about to join their ranks. Yes, the end is near and always has been, but that's what APOC is for--to prevent it. The question is, for how long?
