The Company You Keep: The Transforming Power of Male Friendship David C. Bentall
Why do men rarely invest time and effort building intentional and mutually supportive friendships? How can men create meaningful friendships? David Bentall explores the experience of three men who have supported each other in friendship for more than twelve years. He chronicles how friendships can inspire, challenge, and have the potential to transform lives. He provides suggestions for initiating long-term, nurturing friendships. Most importantly, Bentall describes the tremendous benefits such friendships have on all areas of a person's life, including family relationships, physical fitness, self-esteem, and spirituality.
