**Wolf Moon** Patricia Rosemoor

MCKENNAS ALWAYS STOOD THEIR GROUND

He was a handsome, enigmatic stranger with dark secrets. But Rhys Lindgren was no match for Aileen McKenna... She'd come to the remote town of Wolf Creek to study wolves in the wild. But instead, found more than she bargained for: three dead bodies and frightened townsfolk convinced that a predatory wolf was on the loose. Aileen knew no animal was capable of that kind of carnage, and she intended to prove it. But would Rhys take her into the snow-covered woods to do just that? She'd have to be alone with him, secluded with him, and accept his untamed ways to draw out a beast...
