From Book 1: High school senior Ally Duncan's best friend may be *the* Vanessa Park - star of TV's hottest new teen drama - but Ally's not interested in following in her BFF's Hollywood footsteps. In fact, the only thing Ally's ever really wanted is to go to Columbia and study abroad in Paris. But when her father's mounting medical bills threaten to stop her dream in its tracks, Ally nabs a position as Van's on-set assistant to get the cash she needs.

Spending the extra time with Van turns out to be fun, and getting to know her sexy co-star Liam is an added bonus. But when the actors' publicist arranges for Van and Liam to date for the tabloids just after he and Ally share their first kiss, Ally will have to decide exactly what role she's capable of playing in their world of make believe. If she can't play by Hollywood's rules, she may lose her best friend, her dream future, and her first shot at love.
