Doctoral Degree Quest: A Personal Academic Passion Completing Your Doctoral Thesis in a Timely Manner Dr. Sherman N. Miller
A Personal Academic Passion Completing Your Doctoral Thesis in a Timely Manner offers a method for finishing your doctoral thesis or dissertation in roughly under two years. I was able to use these ideas to write and defend my doctoral thesis in well under one year. The ideas were partially developed from writing industrial technical progress reports, so they should be an aid to industrial professionals needing to write internal reports and white papers. Master's Degree students will also find this book helpful in writing their thesis quickly. Although the ideas within the book cross all disciplines the underpinning goal is on helping science, technology, mathematics, and engineering students learn to write dissertations and theses quickly.
