Island

Thomas Perry

Island Thomas Perry
Island, first published in 1987 and long out-of-print, one of Thomas Perry's most sought-after titles, is now available to readers in e-book format. The riveting and entertaining thriller follows a husband-and-wife con team on the run from the Mob, a soldier of fortune between jobs, a two-bit operator with grandiose dreams of tribal dynasty, a sultry CIA operative with divided loyalties, and the most dazzling defector ever to hurl a split-fingered fastball—twentieth-century buccaneers who wash up on a tiny island in the Caribbean and turn it into a multinational cash machine—but then the shooting starts.

Somebody is trying to invade the island, and that somebody could be anybody: the CIA, NSC or IRS; the most powerful, corrupt bank in the U.S. or the South American cocaine mafia—or it could just be the Los Angeles incarnation of the devil himself, a shadowy figure with a checkered past named Fat Jimmy…

Reviews:

"Island has more thrills than The Butcher's Boy and more laughs than Metzger's Dog, and it makes you feel good to read it. A pure delight, start to finish." – Lawrence Block.

"Thomas Perry's Island is the tourist trap to end all tourist traps—a fearsomely funny oasis where Gilligan wouldn't survive the first luau, but where Ivan Boesky or Oliver North might feel right at home. A wild and terrific book." – Carl Hiaasen

From reader reviews:

Randall Rearick:

Inside other case, little persons like to read book Island. You can choose the best book if you appreciate reading a book. Provided that we know about how is important a book Island. You can add understanding and of course you can around the world by just a book. Absolutely right, because from book you can know everything! From your country until eventually foreign or abroad you will find yourself known. About simple thing until wonderful thing you could know that. In this era, we can easily open a book or maybe searching by internet gadget. It is called e-book. You need to use it when you feel bored to go to the library. Let's read.

Peter Chatman:

The particular book Island will bring someone to the new experience of reading a new book. The author style to spell out the idea is very unique. In case you try to find new book to see, this book very suited to you. The book Island is much recommended to you to see. You can also get the e-book from official web site, so you can more readily to read the book.

Robert Burmeister:

The reason? Because this Island is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will distress you with the secret this inside. Reading this book close to it was fantastic author who have write the book in such amazing way makes the content inside of easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of advantages than the other book have such as help improving your expertise and your critical thinking way. So , still want to delay having that book? If I were you I will go to the book store hurriedly.

Malcolm Thurmond:

Are you kind of occupied person, only have 10 as well as 15 minute in your morning to upgrading your mind ability or thinking skill perhaps analytical thinking? Then you are having problem with the book in comparison with can satisfy your short period of time to read it because pretty much everything time you only find guide that need more time to be go through. Island can be your answer mainly because it can be read by you actually who have those short extra time problems.
