Plato's Republic: A Dialogue in Sixteen Chapters Alain Badiou

Plato's *Republic* is one of the best-known and most widely-discussed texts in the history of philosophy. But how might we get to the heart of this work today, 2,500 years after its original composition? Alain Badiou breathes life into Plato's landmark text and revives its universality. Rather than producing yet another critical commentary, he has instead worked closely on the original Greek and, through spectacular changes, adapted it to our times. In this innovative reimagining of Plato's work, Badiou has removed all references specific to ancient Greek society?from lengthy exchanges about moral courage in archaic poetry to political considerations mainly of interest to the aristocratic elite?and has expanded the range of cultural references. Here, philosophy is firing on all cylinders: Socrates and his companions are joined by Beckett, Pessoa, Freud, and Hegel, among others. Together these thinkers demonstrate that true philosophy endures, ready to absorb new horizons without changing its essence.

Moreover, Badiou?who is also a dramatist?has transformed the Socratic dialogue into a genuine oratorial contest. In his version of the *Republic*, the interlocutors do much more than simply agree with Socrates. They argue, stand up to him, put him on the spot, and show thought in motion. In this work of dramatic scholarship and philosophy, we encounter a modern version of Plato's text that is alive, stimulating, and directly relevant to our own world.

Kent Walker:

That book can make you to feel relax. This book Plato's Republic: A Dialogue in Sixteen Chapters was colourful and of course has pictures around. As we know that book Plato's Republic: A Dialogue in Sixteen Chapters has many kinds or genre. Start from kids until young adults. For example Naruto or Investigator Conan you can read and believe you are the character on there. So , not at all of book are usually make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book for yourself and try to like reading that.

Mattie Priest:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Plato's Republic: A Dialogue in Sixteen Chapters can make you experience more interested to read.
