The Adventures of Ickle, Packy, Pickle and Gooch Charles F. Lee
"Follow the mischievous and hilarious adventures of four grammar school–age boys growing up in the late 1920s. The good, not-so-good, and hilarious situations the four boys became involved in on a day-to-day basis are insights into what city boys did to keep themselves busy during school days, after school was out for the summer and on weekends in Berwyn, Illinois. Lacking the many entertainment forms of modern society, the young boys of the late 1920s spent much of their time roaming the city streets and parks, riding the elevated train, finding other forms of entertainment, and sometimes seeking scary adventures.
