Voices From Forever

Voices From Forever Randall Keller
Voices From Forever chronicles my journey through the paranormal by way of Electronic Voice Phenomena (EVP). What started out as an experiment, proved to be the most eye-opening and profound experience of my life. There is no longer any doubt that beyond this existence is a greater continuation; an equally dynamic and vital place where the passion of human emotion and the animism of the universe converge to reveal a glimpse of what is to come. My attempts to make contact through EVP taught me just how thin the veil is between what we know as living, and the afterlife that claims us all. Death is not the end of being alive, but the beginning of our next step – one that we must all take.
