Five Little Penguins Learn About Shapes Marilyn Kuehl
Five Little Penquins Learn About Shapes is the third book in a delightful new series that teaches toddlers early developmental concepts. This book follows the five little penguins as they search for shapes in everyday life. Each page shows the penguins with a different shape, while also reintroducing the colors that were learned in the second book. Children will learn to look for shapes in ordinary objects and how to spell common shape words. Both shapes and colors are reinforced with a visual puzzle at the end. This book is yet another opportunity to have fun with the five little penguins.
