HILLARY 2016 (BLANK INSIDE) is a guide for both Democrats and Republicans, Liberals and Conservatives alike. The United States made history in 2008 when Barack Obama won the General Election as the first black U.S. President. The country is once again poised to make history by electing its first female President in 2016. HILLARY 2016 (blank inside) has about 200 pages that are blank. This is about as strong of a case for electing Hillary Clinton as you will find. This is a great coffee table book and a conversational piece. Consider giving this book as a humorous gift to liberals and conservatives alike.
