Babysitter in Bondage

Stacy knew she shouldn't snoop but she was curious about what was upstairs. Why was it off limits? She swore that sometimes she heard sounds like someone was screaming. She took the key and slowly unlocked the door to the special room. She couldn't believe what she saw! Stacy quickly locked the door and hoped Rob never found out that she had snooped.

Rob was the older man who employed Stacy. She didn't know that he had a security system and saw her sneaking around on tape. Rob gave Stacy a choice, he could fire her as the babysitter or she could go into the special room and allow him to punish her! What would Stacy choose? Could she handle the type of sick punishments that a man like Rob could come up with? Was it possible that she would even enjoy it?
