Do you crave a good thrill? Then let me tickle your spine.
Are you a hopeless romantic? Then you'll love my female lead.
Are you demented? Then you'll find a kindred spirit in my male lead.
Do you enjoy a good, dark giggle? That, I can deliver.

When the story starts, Jake is a ticking time bomb ready to explode all over the student body at UCLA. But, just before he self destructs, he meets a beautiful exchange student from Ecuador, Bianca, who completely turns his life around...or does she?

Over the next 15 years, their lives overlap and spew out tremendous amounts of rage and passion from Los Angeles to South America. This black hole of violence can't help but suck in other entities as well which include the LAPD, South American gangsters and the entertainment industry. This maelstrom of conflict eventually comes to a head in the Amazon rainforest where debts are finally settled and grudges fulfilled...or are they?

If you're looking for a story to get lost in, "Just Shut Up And Kill Me You Freak!" will drop you in the middle of the jungle at midnight and leave you there.
