Lo peor de Maitena (Spanish Edition) Maitena Burundarena
Las historietas eróticas de Maitena, un libro muy sexy que recoge dibujos inéditos de la ilustradora argentina.

Dibujé estas historietas a fines de los años ochenta y principios de los noventa, antes de convertirme en una humorista seria. Durante mucho tiempo estas páginas me resultaron impresentables, pero no porque fueran sobre sexo sino por cuestiones estilísticas que ya no me preocupan tanto. Hoy rescato la frescura irreverente y el erotismo —algo ingenuo en muchos casos— que las mantienen vivas. Pero sobre todo envidio la pasión con la que fueron hechas, robándole horas a todo y exponiéndome a lo que fuera. "Maitena"

ENGLISH DESCRIPTION

Maitena’s erotic comics: a very sexy book that compiles previously unpublished drawings by the renowned illustrator.

The Argentinean cartoonist’s hottest work.

“I drew these comics in the late ‘80s and early ‘90s, before becoming a series cartoonist. For so long, these pages seemed disgraceful to me, not because they were about sex but for stylistic reasons that don’t worry me so much anymore. Now I’m releasing the irreverent nerve and the eroticism—somewhat naïve in many cases—that keep them alive. But above all, I envy the passion with which they were made, stealing hours from everything and exposing myself to everything.” –Maitena
