The Midwinter Ball...a time when the lycan packs of the city are required to send an offering to please the Master of the City; a woman. Young, nubile and eager to please the Master in his bed.

Only this year, the struggling Trevais pack are all out of young and nubile, forcing Alpha's sister, Cyan Trevais to attend as the Midwinter Offering. Which is fine. Totally cool. Plump and older than all the other offerings, she's got this. No way will the Master be interested in her. She'll be fine.

Until she slaps and insults another guest, bringing her to the attention of the Master of the City, who is more than a little interested indeed. An all night kind of interested...
