SHE Couldn't Resist HIM, AND he didn't want to LET Her GO.

I was a college student working hard to pay the bills. I had a single minded focus on my dreams, no matter what it took to achieve them.

That was, until Tucker Carter walked into my life.

Tucker Carter was a bad boy billionaire with only women and money on his mind. He didn't want a relationship, he didn't even want a one night stand, and every woman he ran across was as forgettable as the next.

However, sparks flew when we met - his shy and curious cutie that could hypnotize him with my intellectual moves, and drive him to the limits of insanity when I was the first to deny him.

Will I be able to protect my heart against a man like Tucker? Will he be able to walk away from me as easily as he had every other woman he'd known? Or would our two hearts entwine together until it is simply impossible for either of us to let go?
