Dragon Bound (Supernatural Bonds) Jory Strong
Dragon Games Book 8 in theSupernatural Bonds series Though he has no intention of shackling himself to a female, Tielo has devised a poker invitational to bring potential human mates to Drake's Lair for his fellow dragons. Club co-owner Pierce has also set a plan in motion—to see his partner mated. When their two schemes collide in the shape of Lyra, smoke and flame result, literally. For Lyra, the invitation to an evening of high-stakes poker is the answer to a prayer and her chance to help a family in need. But her confidence wavers upon entering Drake's Lair, where the male members role-play as dragons and brazenly display their sensuality. None are as dangerously distracting as Tielo. The gold-and-silver "dragon" could be her downfall, and not just at the poker table. Because despite his attempts at denial, overwhelming need and lust blast Tielo the instant he meets Lyra. He'll have her beneath him before the night is done, his essence inside her, his claim undeniable. For dragons, mating is no game…and Tielo is playing for keeps. Dragon Master Book 9 in theSupernatural Bonds series Nothing is more cherished than a mate, no treasure more valued or sought after than the perfect match. With a glance at Summer's picture, Jubal recognizes not only his intended, but a submissive whose body cries out for discipline. There's no question about claiming her, and when he spots her entering an exclusive BDSM club, he believes it's Fate. Summer can't get past the foyer without a master—and that master will be him. At the sound of Jubal's voice, she knows he's the one, the man she's been searching for, the master who can demand her devotion. Any other time she'd gladly surrender her trust and her heart, as well as her body, but tonight it's an urgent task and not the search for pleasure that's brought her to the club. She's been warned about dragons. And even believing Jubal might be just such a supernatural being doesn't lessen the ecstasy she experiences in his hands. His carnal discipline and heady torment satisfy her—even as they force her to choose between risking it all or not.
