A Family to Cherish

Headstrong Tess Grimsby loves her new job caring for the children of a recently widowed man. But she never imagined that she'd fall for her handsome employer. Yet Spencer Abbott is as caring as he is attractive, and Tess can't help but feel for him and his family. Though, for the sake of her job, she'll keep any emotions about her boss to herself.

Between his stationmaster responsibilities in a gold-rush town and trying to put his family back together, Spencer has his hands full. He soon finds his new hire's kind personality warming his frosty exterior. But could he ever admit to seeing her as more than just an employee?
