The Happily Ever Afterlife Jodie MacGregor
The origins of the quest of immortality and its initiates, hidden and forgotten in deep esoteric tradition emerge from an ancient Druid fortress, the Benedictine Pannonhalma Archabbey, and the first Shaolin Temple. Three journeys unfold the power of mythology, history, and the deep-seated truths of ancient wisdom that span across and beyond the distance of matter, energy, space, and time. Is the mundane world real? Has it completely taken over divinity? Or is there finally a chance for humanity to awaken. Open the portals of time that have been sealed for centuries.
