A Walk with Mud: A Story of Two Friends Hiking from Canada to Mexico on the Pacific Crest Trail
A. Herbz
Mud and Bug both love the same thing: hiking. Certain that this passion can transcend the complications of their relationship, they set off on a journey to walk from Canada to Mexico, 2,660 miles on the Pacific Crest Trail. Together, they brave snow-covered slopes in the Cascades of Washington, walk through lava fields in Oregon, navigate a smoky haze of wildfire in Northern California, climb eleven thousand foot mountain passes in the High Sierra and revel in the desolate beauty of the Mojave desert in fall. Shortly into the trek, they find that navigating their changing relationship is just as hard as navigating the wilderness. There's no doubt that each will complete the journey, but will they finish together?
