This anthology of true life vignettes offers intimate glimpses into hot BDSM play between a female dominant and her boy.

It includes passionate moments that cover the gamut of play: teasing, denial, chastity, flogging, caning, pegging, slapping, and much more. It also includes incredibly sweet exchanges full of tenderness and ownership, lots of kissing, laughter, affection, and silliness.

“Your breaths come hard and fast. I bite you relentlessly, thrusting up against you from behind. Every new attack makes you wince and moan, but still you push back against me until I am shoving you up against the wall, tearing at your skin like I am going to devour you."
