Genius, Isolated: The Life and Art of Alex Toth Dean Mullaney, Bruce Canwell, Alex Toth
Created by the Eisner Award-winning team of Dean Mullaney and Bruce Canwell who produced the ground-breaking *Scorchy Smith and the Art of Noel Sickles—Genius, Isolated* is a lavishly illustrated book that includes the first biography of this giant figure. The book has been compiled with complete access to the family archives, and with the full cooperation of Toth's children. To flesh out the complete story of his life and art, Mullaney and Canwell have spent more than two years conducting wide-ranging interviews with Toth's peers, friends, and family members. This is the beginning of a comics biography everyone will be talking about for years to come.

In addition to art and photographs from the family, Toth fans and friends throughout the world have loaned original artwork reproduced in the entire series. Included are many examples of Toth's art, from twenty-one complete stories to rare pages, as well as—incredibly—a previously unknown, unfinished, and unpublished penciled story from the 1950s! The tome covers his earliest stories at DC in the 1940s, his defining work at Standard, his incomparable *Zorro* comics in the 1950s, and a special section collects—for the first time—the *Jon Fury* pages that Toth produced while in the army, a section that alone is worth the price of admission.

Genius, Isolated details Toth's life story and work through the early 1960s, when he began his sensational move into animated cartoons. The second book in the series, *Genius, Illustrated*, continues the story.
