Salt: A World History

Mark Kurlansky

Salt: A World History Mark Kurlansky
So much of our human body is made up of salt that we'd be dead without it. The fine balance of nature, the trade of salt as a currency of many nations and empires, the theme of a popular Shakespearean play...*Salt* is best selling author Mark Kurlansky's story of the only rock we eat.

From its single origin, to the other discoveries made because of it, fascinating tales of salt and the people who have been involved with it through the ages are interwoven here. Fifteen recipes are included that will meet with every taste. Mark Kurlansky has produced a kaleidoscope of history, a multi-layered masterpiece that blends economic, scientific, political, religious, and culinary records into a rich and memorable tale.

From reader reviews:

Brian Davis:

Book is definitely written, printed, or descriptive for everything. You can learn everything you want by a publication. Book has a different type. As you may know that book is important thing to bring us around the world. Close to that you can your reading proficiency was fluently. A reserve Salt: A World History will make you to always be smarter. You can feel far more confidence if you can know about everything. But some of you think which open or reading the book make you bored. It's not make you fun. Why they can be thought like that? Have you looking for best book or ideal book with you?

Mario Rice:

This Salt: A World History book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book is usually information inside this publication incredible fresh, you will get data which is getting deeper you read a lot of information you will get. This kind of Salt: A World History without we understand teach the one who reading it become critical in contemplating and analyzing. Don't become worry Salt: A World History can bring when you are and not make your case space or bookshelves' grow to be full because you can have it within your lovely laptop even mobile phone. This Salt: A World History having great arrangement in word as well as layout, so you will not truly feel uninterested in reading.

Jose Gower:

Spent a free time and energy to be fun activity to try and do! A lot of people spent their free time with their family, or their friends. Usually they carrying out activity like watching television, likely to beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your free time/ holiday? Might be reading a book may be option to fill your totally free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to attempt look for book, may be the publication untitled Salt: A World History can be excellent book to read. May be it may be best activity to you.

Marian Knight:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Salt: A World History can make you truly feel more interested to read.
