Many people bring spiritual practices into every aspect of their lives?except the boardroom! But spiritual guidance can be used just as easily to help fill the bottom line as it does to fill our hearts and souls.

In *The Path to Wealth*, entrepreneur May McCarthy will show you how to create a true financial partnership with the all-knowing power in the universe that she calls your Chief Spiritual Officer, or “CSO.” This is not a dogmatic book; McCarthy encourages you to partner with a higher power of your own understanding, but she is insistent on one point: this power is within you and it knows what must happen for you to receive what you want.

In this book you’ll learn the job descriptions for both yourself and your CSO, and you’ll have a daily road map to help you achieve your financial goals. As you practice these steps daily, you will experience seeming miracles that you never thought possible, all with less effort and more fun. Once you decide what you want, it’s the CSO’s job to create the path to get you the goods you’ve defined. Your job is to follow each step in this daily practice and watch as the benefits you want unfold.
