Architectures of Display: Department Stores and Modern Retail (Ashgate Studies in Interior Architecture and Design) Anca I. Lasc, Patricia Lara-Betancourt, Margaret Maile Petty
Through an international range of case studies from the 1870s to the present day, this volume analyses strategies of display in department stores and modern retail spaces. Established scholars and emerging researchers working within a range of disciplinary contexts and historiographical traditions shed light on what constitutes modern retail and the ways in which display, retail and interior designers, architects and artists have built and transformed their practice in response to the commercial context.
