Dirge Tim Marquitz
Wreathed in the ashes of betrayal, forced to come of age in the dungeons of her stolen inheritance, Kallie Brynn Soren died so that Dirge might be born.

In the midst of an undead invasion, Kallie is gifted powers by a dying priest. His last wish is for her to use them against the Necrolords in a way his faith would not allow. Reborn as Dirge and free of the priest's conscience, she is more than happy to do so.

But when fate brings Dirge into the employ of the emperor–the same man whose machinations brought about the murder of her father–the opportunity for revenge becomes too much to ignore.

Torn between vengeance and the need to protect the only people she dare call family, Dirge learns there is a much deeper purpose to the Necrolord's advance. Should it come to light, it might destroy everyone.

From reader reviews:

James Stewart:

The book Dirge can give more knowledge and information about everything you want. Why must we leave the good thing like a book Dirge? A few of you have a different opinion about guide. But one aim in which book can give many data for us. It is absolutely right. Right now, try to closer using your book. Knowledge or data that you take for that, you could give for each other; you could share all of these. Book Dirge has simple shape however, you know: it has great and large function for you. You can seem the enormous world by start and read a reserve. So it is very wonderful.

David Goodspeed:

As people who live in the actual modest era should be up-date about what going on or information even knowledge to make all of them keep up with the era that is always change and progress. Some of you maybe may update themselves by studying books. It is a good choice for you personally but the problems coming to a person is you don't know what kind you should start with. This Dirge is our recommendation so you keep up with the world. Why, as this book serves what you want and need in this era.

Teresa Riggs:

Are you kind of occupied person, only have 10 or even 15 minute in your day to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your limited time to read it because this time you only find publication that need more time to be study. Dirge can be your answer because it can be read by you who have those short free time problems.

Roberta Swinton:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Dirge can make you really feel more interested to read.
