From Chips to Chocolate: A Humorous and Informational Journey Through Kidney Transplant. Mark D Reid, Patty Cowser
High school football coach Mark Reid needed a kidney. Not knowing what to do Coach Reid made a joke about his need in a Facebook post. Quarterback Joey Cowser's mother, Patty read the post and immediately felt that donating one of her kidneys to Coach Reid was her mission. From Chips to Chocolate takes you along on Coach Reid's and Patty's journey from diagnosis, through testing and transplant, and into recovery. Both the donor and recipients versions of the journey are presented in their own words using a humorous spin. Along the journey lifelong friendships are formed and families blend. Should you or a loved one find yourself about to embark on a similar journey this book was written for you. While not a medical encyclopedia, a large amount of medical information is presented in an easy to understand, humorous way as are all the steps on the journey through transplant.
