Mastering Adobe Photoshop Filters: Learn by Video Olaf Giermann, video2brain
An experienced instructor presents up to 4 hours of high-quality HD video, complete with lesson files, assessment quizzes, and review materials. The video is wrapped in a unique interface that allows the viewer to jump to any topic and also bookmark individual sections for later review. The unique Watch-and-Work mode shrinks the video into a small window to allow the student to work alongside the video. Project files used in the lessons are included on the disc so viewers can practice what they've learned, and interactive review questions help reinforce freshly gained knowledge.

The DVD-ROM is bundled with a printed booklet that provides supplemental material to enhance the video training.
