This wasn't the adventure she'd signed up for...A sexy boss, a rough crossing, and pirates - all Brylie Winston wanted was a job to help her earn money to buy her own restaurant. She hopes to earn it by working as a chef on a cruise to Antarctica. But she's slept with her boss, which throws her off-balance even more than the rough seas and warnings of pirates in the area. And he's determined to have a repeat performance.

Bad boy former snowboarder Marcus Devlin is running from his reputation, sent to learn the family business after decking a senator's son and making the papers. So maybe he indulged in a last-minute fling before boarding his family's cruise ship to Antarctica. Perhaps Fate is showing him that wasn't so bad - the gorgeous redhead who snuck out of his bed is on the cruise. She'll be a lovely distraction during his exile.

But when modern-day pirates take over the ship, his instinct is to protect her and the other passengers. But what does a spoiled rich boy know about saving people's lives?
