The Accounting Game: Basic Accounting Fresh from the Lemonade Stand (Chinese Edition) Su Wei Yuan
It is not an oversimplification of accounting and financial principles. It is, however, a serious and very effective examination of a very small but progressively complex business. There are not many books available on the market that makes a complex and dry subject understandable and even fun. This book successfully does just that. Whether youre a manager, business owner or aspiring entrepreneur, youve likely found yourself needing to know basic accounting...but baffled by complicated accounting books. What if learning accounting could be as simple and fun as running a childs lemonade stand? It can.
