Sophie Mason needs money and she needs it fast. When both her jobs suddenly end and the thug her father owes money to demands payment, she turns to the one person who offered her a lifeline. The one person she's been avoiding ever since finding out he's a member of the family that screwed up her father's life.

Ash Kavanagh, billionaire CEO and all round nice guy, needs a fake fiancée to help seal a contract, and he's asked Sophie to be the one. He's offering her big money and a wardrobe to die for. Hating that she's desperate enough to accept the bargain, and hating that she's falling for a Kavanagh, she tries her hardest to resist the even-tempered Ash. She must also keep their families' connection from being aired.

But Ash doesn't turn out to be so nice when he learns what she's been keeping from him. By then it's too late. Sophie is in love with him and she's in way over her head.
