Erotomania: A Romance

Francis Levy

Erotomania: A Romance Francis Levy

"[A] hilariously satirical debut novel. Miller, Lawrence, and Genet stop by like proud ancestors... But it's a more recent generation of mischievous deviant writers (Nicholson Baker, Mary Gaitskill) that truly looms large — *Erotomania*'s closest predecessor might be Baker's The Fermata. [An] ambitious book... [A] biting satire." —Zach Baron, *Village Voice*

"Sex is familiar, but it's perennial, and Levy makes it fresh." —Richard Rayner, *Los Angeles Times Book Review*

"Levy seems to have an eye for detail for all that is absurd, commonly human, and uniquely American." —Beth Harrington, *Bookslut*

"It's a great book, written with flawless verve by a tremendous fictioneer and thinker, and it deserves glory. A classic." —Andre Codrescu, *Exquisite Corpse*

"[*Erotomania*] can just as easily be a bookend to the beautifully nuanced prose of Milan Kundera as it can be a long-version story for a nudie mag minus the accompanying photographs. It's all in the context — as it is with most relationships." —*Quarterly Conversation*

"*Erotomania* wields a comedic punch that makes it, above all, a fun novel to read." —*Nerve.com*

Erotomania is an absurdist portrait of a modern-day romance. It follows James and Monica from their early days as couple that is forced to move into a nuclear fall-out bunker so their explosive sex life doesn't physically harm their neighbors, down the long journey to marriage counseling.

Francis Levy's short stories, criticism, humor, and poetry have appeared in *The New York Times*, *The Washington Post*, *The New Republic*, *The Village Voice*, and *The Quarterly*.
