Joshua Noble has lived his entire life safely in the realm of obscurity. Inflicted with a blood disease since childhood, Joshua could only dream of doing the simple things most teenagers normally took for granted . Now, at seventeen years old, Joshua's life is about to change in the most unexpected and unimaginable way.

When a seemingly unfortunate altercation with fellow classmates lands Joshua in the hospital facing certain death, his father, Dr. Greg Noble, makes a fateful decision which he believes will save Joshua's life. But when an unexpected phenomenon occurs as a result of his attempts to aide his son, a revelation quickly begins to take shape—there is life elsewhere in the universe…and they're already here!

When Joshua awakens from an induced slumber he finds the world has fallen into utter chaos, he has a new and incredible physique, strange genetic tattoos, and abilities beyond his imagination which he must learn to control. With the help of two mysterious strangers who have arrived to protect him, Joshua soon learns his remarkable transformation is no fluke and discovers the truth behind the chaos that has spread across the globe. The true threat mankind faces: Homgrans; an alien species which is about to infect and ultimately wipeout all of humanity. But Joshua has faced them before. He just doesn't know it yet.
