Sticks and stones may break my bones, but words can never hurt me!
One of the greatest misconceptions in our society today is the notion that words can never hurt. Ask the child taunted on the playground by bullies or the girl teased by her classmates, if the insensitive words of others are incapable of injury. School shootings and homicide rates increase as tortured souls terrorize their persecutors.
This book is dedicated to those who stand outside the gate wishing for someone to invite them in. If you feel branded by society as an outcast, misfit, outsider, different, weird, flawed, and that you could never measure up this book is for you. L. B. Alexander deals with the painful subject of rejection in a way that is inspiring and hopeful. She guides you through a step-by-step process on how to overcome the stifling effects of feeling unwanted. Inside you will discover God's plan for handling rejections of the past. Uncover His secret battle plan revealed in scripture. Living a victorious life is possible. Take courage, you can move past rejection!
