Angela Heffner

Formerly Known As Marilyn Monroe: Biography Facts About Life, Death and Reincarnation Angela Heffner
Very few people were willing to accept the Los Angeles County Coroner ruling of "Probable Suicide" in the death of Marilyn Monroe. The cover-up was so painfully obvious that it begged the public to ask more questions. Investigative Journalists of every variety, family and friends of Marilyn's, distant colleagues and even some fans have researched the life and death of Marilyn Monroe. Three separate lineages of Angela Jean Heffner point to her past life as Marilyn Monroe. Using the details found in her family heritage, Angela replaces the deliberately told lie that Marilyn's mother (Gladys) allowed to be recorded on Norma Jeane's birth certificate regarding her biological father and also the lies recorded on Marilyn Monroe's death certificate (regarding the date and cause of death) with irrefutable truth. The soul that was Marilyn Monroe received a new life which not only includes past life memories and the physical likeness of Marilyn, but also tamper-proof details like common ancestry. Angela's mother is half-Gifford. (Norma Jeane/Marilyn's biological father's name was C. Stanley Gifford) Angela was born with the last name of the man who says he wants to spend eternity interred next to Marilyn Monroe (Hugh Hefner) and a third family lineage indirectly points back to the man who strategized the death of Marilyn Monroe. Angela begins her book by explaining how a certain event in 2013 drove her to finally tell her story. She writes candidly in her memoir of growing up with Marilyn Monroe's thoughts still active inside her and how it created an abundance of havoc as she tried to suppress her knowledge for the sake of her own privacy. Ultimately fate brought Angela to the understanding that "this information lived on inside me for a reason and I need to respect it and treat it as a gift." Once she was clear about how to proceed with writing this book, Angela poured her heart out for you, her readers, to examine. Angela dedicates the final three chapters of her book to reassembling factual information into a distinctive and logical explanation regarding the murder of Marilyn Monroe and the coverup that ensued from inside every level of our government. Aside from assembling important details about Marilyn Monroe into an easily digestible fact filled story, this book gives readers genuine reasons to think seriously about the Laws of Attraction, the power of mind-over-matter, a living/interactive Godforce and reincarnation.
