If You Were a Pioneer on the Prairie (If You...) Anne Kamma
The newest title from this wonderful historical series, "If You Were a Pioneer on the Prairie" gives a child a look at what his or her life would have been like during this time period.

This new addition to the popular question-and-answer history series invites readers to step back in time and see what it was like to grow up on the Great Plains more than 100 years ago.
What kind of house would you live in? What kind of clothes would you wear? What would you do for fun? Would you go to school? The answers to these and 34 more questions give eight-to-ten-year-olds a vivid idea of a pioneer child's day-to-day life as well as the hardships the pioneering family faced as they attempted to settle in the vast and often forbidding prairie lands.
