ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages
Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books
If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes
Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Now in its Third Edition, *Medical Language* has touched the lives of more people than any other medical terminology book. This intensely visual, powerfully relevant book is organized to promote exceptionally effective instruction and maximum student success. Fully updated to cover the field’s newest terminology, this edition retains a deep focus on word building, and enhances teaching and learning in many ways -- including a state-of-the-art immersive online study experience. Its appealing, uncluttered design contains hundreds of rich images and plenty of white space for easy reading and note taking. Student learning is promoted through an unsurpassed quantity and variety of exercises, more colorful, interesting, and large illustrations, and – as requested by most instructors – an intuitive organization around medical specialties. In addition to content updates throughout, this edition is complemented by a brand new set of Dynamic Lectures: comprehensive audio/visual learning experiences narrated by the author.
