The music of Mozart is now more popular than ever before! John W. Schaum's arrangements of symphonic works, concertos, and difficult piano solos make these timeless works easy to play. Based on events and episodes of Mozart's life, this collection may be used as supplementary literature with any piano method. Mozart wrote over six hundred pieces without titles and now Mr. Schaum has created descriptive titles, describing incidents from Mozart's life. His historically appropriate captions add color and life, the biographical sketches add musical appreciation, and Mr. Schaum's arrangements make teaching easier.
