Sea Glass Hearts

Josie Iselin

Sea Glass Hearts Josie Iselin

Josie Iselin, the author of Abrams' popular *Heart Stones*, turns to sea glass hearts for a companion volume that promises to be just as appealing. Beachcombers the world over treasure sea glass—the shards of broken glass that are tumbled by the waves into smooth, pebblelike forms. They know which colors are common (green and brown) and which are unusual (black, yellow, red, and, especially, orange) and they can often identify the age and origin of a specimen. On rare occasions, sea glass takes the shape of a heart, the universal symbol of love. In *Sea Glass Hearts*, Iselin assembles an inspiring collection of these precious objects that are free for the taking—if you are lucky enough to find them!
